

**FUN DAY OUTING TO CRATER LAKE MASHUJAA DAY
HOLIDAY 20TH OCTOBER 2010**

Itinerary:

Departure time: 0800hrs

Pick up point: Steers Muindi Mbingu Street opposite Jeevanjee Gardens

Date: 20th October 2010 – Mashujaa Day

Highlights: The Crater, Game viewing, Flamingoes, Nature walk, Scenic landscape, Boat ride, Bird watching, Outdoor games among many others

We will leave the capital city driving north down the escarpment via the floor of the Great Rift Valley with a brief stop-over at viewpoint for photo moments.

Crater Lake is a secluded green soda lake at the bottom of an extinct volcano, tucked away in the Rift Valley of Kenya. It is, in the author's opinion, the most beautiful natural phenomenon in Kenya.

Prepare to engage in a myriad of activities for the better part of the day. This is a unique area where walking is done through the predator-free surrounding. However an encounter with other gracious wildlife like Giraffes, Zebras, Warthogs and different species of gazelles makes this trip memorable.
