

**LABOUR DAY HOLIDAY HIKING EXPEDITION TO MT LONGONOT N. PARK**  
**DAY TRIP – 1<sup>ST</sup> MAY 2010**

**Itinerary:**

Departure time is 0800hrs.

**Pick up point:** - Steers Muindi Mbingu Street opposite Jeevanjee Gardens

**Date:** 1<sup>st</sup> May 2010 – Labour Day

We will leave the capital city and travel north with a brief stop over at the Mai Mahiu Great Rift Valley View point. Prepare to spend the whole day hiking at Mt Longonot National Park which neighbours Naivasha town.

Mt Longonot is a migratory route for game moving from Hell's Gate south towards Suswa and the Maasai Mara. The slopes of the mountain attract many grazing animals and climbers will often see zebra, buffalo, gazelle and the rare Mountain reed buck. Leopard tracks are often seen on the mountain pathways. Trekking - Mt Longonot (2100m) is an enjoyable way to spend a day. The views from the top across to Naivasha town and the Aberdares are sensational and the views of the crater within the mountain even more breathtaking. Once at the top, further two hours can be spent trekking round the crater rim with excellent views the entire way. Lunch will be provided by Crocodile Racers.

After conquering the challenge, we will embark on our journey back to Nairobi.  
ETA in Nairobi: 1800hrs local time.
