## FUN DAY OUT TO HELLS GATE – NAIVASHA JAMHURI DAY 12<sup>TH</sup> DEC 09

### Itinerary:

Departure time is 0800hrs.

**Pick up point:** - Steers Muindi Mbingu Street opposite Jeevanjee Gardens

**Date:** 12th December 09 - Jamhuri Day

**Highlights:** Game viewing, Rock climbing, Scenic landscape, Hot springs, Spectacular Gorges, Geothermal Station, Biking, Bird watching among many others

We will leave the capital city and travel north to Lake Naivasha with a brief stop over at the Mai Mahiu Great Rift Valley View point. Prepare to spend the whole day at Hells Gate National Park which lies adjacent to Lake Naivasha. This is a unique park where walking is done through the predator-free park. However an encounter with other gracious wildlife like Giraffes, zebras, warthogs and many types of gazelles are found here. The first part of this walk is done in typical flat African savannah in a volcanic area with huge rock boundaries. There are camphor and acacia trees all over and this is where to look for the giraffe as they mainly feed on them. An opportunity of enjoying professional rock climbing venture is open at Fishers tower at an extra but minimal cost.

Lunch will be provided by the Crocodile Racers.

Part two and the last stride takes place within the Hell's Gate Gorge by descending into a steep canyon with running water from geysers and wild vegetation. The climax of the day is in walking in the Side Gorge where the rocks have split to leave only a walking path. We climb back to the rangers post for our transfer back to Nairobi.

Make sure you bring your spirit of adventure, walking shoes, good camera to capture the moments, sunglasses, a shading cap / hat, sun block cream, pocket money and any other relevant item.
