

MADARAKA HOLIDAY SAFARI TO MERU NATIONAL PARK

Situated in the old Northern Frontier District, straddling the equator and bisected by 13 rivers and numerous mountain-fed streams, Meru National Park is wild and one of the most beautiful parks in Kenya. A green paradise compared to the dry savannah of Kenya's parks, this was the wilderness into which George & Joy Adamson released Elsa the lioness, creating the much-loved film 'Born Free'. It has diverse scenery from woodlands to wide-open plains, meandering riverbanks, hilly landscapes and rich grey alluvial volcanic soil deposits.

Three large rivers border the park: The **Tana** to the South, the **Ura** to the South-west and the **Rojeweru** to the East.
